

TWELFTH NIGHT: ACT 2 YEAR 3 AND YEAR 4 LANGUAGE EXERCISE: SIMILES AND METAPHORS

A metaphor is a word or a phrase used to describe something as if it were something else:
For example, "A wave of love washed over her." The love isn't actually a wave, but a wave is a good way of describing the feeling.

"Olivia is a flower." She's not a flower, but it's a way to explain how sweet Orsino thinks she is.

A simile describes something by **comparing it to something else**, using like or as:

The snake moved **like** a ripple on a pond.

It was **as slippery as** an eel.

Malvolio is **as sneaky as a snake**
